We invite you to join us on the first Thursday of each month (March – October), 6:30-8 p.m., to discuss a short to medium-length book. We gather at St. Christopher Church in Jericho (in the lower level of the church). For personal economy, we focus on selecting titles available in the public library. In addition, the club is open to getting together at a member's home or go out for dinner and a movie to see the screenplay of a book we have read. We are always open to new ideas and opportunities to be in community. In November we meet for dinner out and go over book titles for the following year that members suggest and select together.

All are welcome to attend each month or only occasionally, as desire and your time permits. Meeting information, reminders and potential discussion questions are sent out in email each month. If no email, we can easily stay in touch by phone.

As you can see from the titles above, our reading themes are varied, from Catholic and other spiritual titles, to popular books with a values and faith message.

We would enjoy having you join us!
