

MASTER PLAN PRIORITIZATION

- **Relocate garage/expand parking**
 - This includes constructing a new building west of the current location of Biltmore that will house the garage, fish frying, storage (6.1) and food pantry functions (3.1 & 3.2)
 - This will expand parking to the space vacated by the garage and Biltmore (5.3)
- **Construct connector building**
 - This includes building an addition which connects the Church, Gym & School buildings (1.1) and provides a canopy for covered drop off (5.2)
 - This will provide a centralized, secure entrance to parish offices, school administration offices, small group instruction areas and small conference rooms (2.1 & 5.4)
 - This will provide elevators and ramps giving handicap access to all levels of the building (1.2)
- **Improve campus landscaping**
 - (7.1, 7.2 & 7.3)
- **Improve campus wide signage and wayfinding**
 - Add a landmark element to unify and define the “heart” of the campus (4.1, 4.2, & 4.3)
- **Enlarge the house at 16th and Biltmore to accommodate two priests and provide handicap access**
 - (4.4)
